## ABOUT JAI NARAIN VYAS UNIVERSITY, JODHPUR

Jai Narain Vyas University, formerly known as University of Jodhpur is a state owned University, was Established in 1962, and MBM Engineering College became part of the University. Jai Narain Vyas University is now a divisional university for western part of the Rajasthan State. this University is located in the great Indian Thar Desert, its R&D activities centered on heritage, society and challenges of the region. This is the Western most University of the country and imparts education and conducts research in border areas neighboring Pakistan.

## ABOUT M.B.M. ENGINEERING COLLEGE, JODHPUR

MBM Engineering College is one of the oldest engineering colleges in India. Established on 15th August 1951 by the government of Rajasthan, the college boasts of its high academic & technical standards. Now Also known as Faculty of Engineering & Architecture with Eleven Departments.

Considered as the pioneering Technical Institution of the State, it offers a gamut of courses both at PG and UG level. The college is committed to providing its students with an education that combines rigorous academic study and developing a far more ambitious, integrated and influential environment that will best serve the nation.

## ABOUT DEPARTMENT OF MINING ENGINEERING

The Department of Mining Engineering was established in the year 1957 and about 1700 undergraduates passed out from the portals of the department till 2018. The department completed its Golden Jubilee during 2007.

The faculty members have the right blend of industry, teaching, research, consultancy and administrative experience resulting in multi-dimensional and multi-disciplinary activities within the institute and outside. The Department has well qualified faculty dedicated to applied research in the field of Mining Engineering with special emphasis on Mine Environment, Rock Mechanics, Slope stability, Controlled Blasting, Ground control and Mineral Beneficiation. The department is also engaged in teaching inter-disciplinary subjects.

## ABOUT MEAI RAJASTHAN CHAPTER, JODHPUR

The Mining Engineers' Association of India (MEAI) was founded in the year 1957. After successive International conferences, National Conferences & workshops on different issues concerned to mining, the Mining Engineers' Association of India, Rajasthan Chapter-Jodhpur is sponsoring two days National Conference on December 15-16, 2018 at Jodhpur, the city famous for sunshine as well as Blue city of a Rich Heritage situated in diversified mineral dominating state.

## CONFERENCE THEME

Mine Health & Safety  
Mine Ventilation  
Environmental legislation, Rules, Acts  
Ground vibration  
Mine water environment  
Air pollution and Dust issues  
Blasting impacts  
Ecology & Landscape environment  
Environmental challenges  
Corporate Environment Responsibility (CER)  
Environmental Sustain ability under mining projects

## CALL FOR PAPER:

Abstracts of papers on subject theme in English of not more than 300 words are invited to submit by e-mails as word document (Times new roman font 12, single space) with full contact details by 25th November 2018. Abstract should summarize the major points of your proposed 10 page paper. It should be written such that it makes sense standing on its own and cover the work done, recommendations made conclusion drawn, as a result of project case or study. Full paper should be between 5000-6000 words and are due by 10th of December 2018. Abstract would be considered by the committee of the educationalists and industry experts using a blind review process. Case studies, highlighting the above are welcome, in particular, initiative, administering advance practice and experience are highly valued.
