Dear Sir,

We are glad to inform that this department is organizing one week Faculty Development Programme on "IOT Applications in Emerging Engineering" under TEQIP-III from 8th April to 13th April 2019, wherein experts from CEERI, Pilani, Industry and various eminent organizations will share their expertise with hands-on training

It would be a unique opportunity wherein faculties (teachers / researchers) will get a practical hands-on training besides theoretical foundations. The participants will be given certificate of participation.

Kindly motivate and circulate this information for participation of faculty members and research scholars of your department in this FDP to get benefited.

Thanking you,

R. Bhadada
