#### 11) **FOCUSES ON FUTURE UNIVERSITY SPORTS DEVELOPMENT**

- **Mass participation, Health/fitness awareness, Fairness & transparency:** To organize more inter collegiate tournament in order to have maximum participation & provide platform for competition. In selections minimize favoritism & malpractices through transparency.
- **Clinics & Refresher:** To Conduct clinics by inviting experts in order to update staff.
- **Facilities:** Though we provide kit (Attire) & equipment to the selected players but it also requires more & to be raised. Major sports facilities we have in our campus but requires proper maintenance & up gradation as per national standard.
