

NATIONAL WEBINAR

Organised by

**Department of Geography,
Jai Narain Vyas University Jodhpur**

**August 29, 2020
Time: 4.00 Pm onwards**

On

COVID 19: Spatial Dimensions of Environment and Resources Management

Patron

Prof. (Dr.) Pravin Chandra Trivedi
Hon'ble Vice Chancellor
Jai Narain Vyas University, Jodhpur

Co-Patron

Prof. Kishori Lal Raigar
Dean, Faculty of Arts Education
and Social Sciences

Presided by

Prof. Jai Singh
Head Department of
Geography

Guest Speaker

Prof A. R. Siddiqui
Professor & Head,
Department of Geography,
University Of Allahabad

Keynote Speaker

Prof. R. B. Singh.
Ex HOD Delhi School Of Economics,
DU New Delhi
secretary General
International Geographical.
Union (IGU)
Member International Science

Guest Speaker

Dr. Anil Kumar
Head PRSD and Scientist/
Engineer-SG, Department of
Photogrammetry and remote
Sensing IIRS ISRO

Convenor

Dr. Om Prakash
Assistant Professor
Department of Geography

GENERAL INSTRUCTIONS

- ❖ Last date of Registration is 28-08-2020 at 5.00 PM.
- ❖ All Participants are advised to join the WEBINAR before 15 mins.
- ❖ Each participant shall get E-certificate on their registered E-mail ID after 15 days of webinar.
- ❖ Registration will be done on first come first serve basic, as seats are limited so rest of the participants can attend the webinar through our You Tube link

Co-Convenor

Dr. Lalit Singh Jhala
Assistant Professor
Department of Geography

Get registered soon, each participant will get certificate after submission of feedback form

Our Distinguished speakers

1. **Prof. R B Singh**, secretary General, International Geographical. Union (IGU) Member International Science Council ISC Former Professor & Head Department of Geography Delhi School of Economics University of Delhi, New Delhi would speak as Keynote Speaker
2. **Dr. A.R. Siddiqui**, Professor & Head, Department of Geography, Central University, Allahabad would speak on “Remote Sensing and GIS applications in Geographical Studies”
3. **Dr. Anil Kumar**, Head PRSD and Scientist/ Engineer-SG, Department of Photogrammetry and remote Sensing IIRS ISRO, Dehradun Uttarakhand would speak on “Application of Machine Learning for Agro Geography using Temporal Remote Sensing Data”

Participants

The faculty, staff, students of the Jai Narain Vyas University, Jodhpur, special invitees and interested professionals from academic institutions, government and private sectors, NGOs, and representatives from media are requested to attend the Webinar.

Registration is compulsory to get the webinar participation e-certificate; an e-certificate of participation will be given to all participants after submission of feedback form of the webinar. Feedback form link will be send to you through telegram group after webinar.

Please join our telegram group after registration.

Link for registration : <https://forms.gle/4aug2KbVANjRfMi89>

(Registration is free for all participants)

Link of telegram group :

<https://t.me/joinchat/KcAOxiYo07YEyey2gHJXg>

The Webinar would be organized via ZOOM Conferencing Application. The details of which are as follows:

Webinar Link : <https://forms.gle/4aug2KbVANjRfMi89>

Event password :

Date : **Saturday, August 29, 2020**

Time : **4.00 PM Onwards**

India Time (Delhi, GMT+05:30)

Live Platform : **You Tube, Facebook**

About Department

Geography Department of the then Jaswant College, Jodhpur has been actively engaged in enhancing the cause of geography in Rajasthan since its inception in the year of 1958 under headship of Prof. V.C. Mishra, who served as a vice chancellor in Sagar University Madhya Prdaesh later, and his learned colleagues viz: Prof. M. H. Quershi, who served as professor in Jawahar Lal Nehru University, Delhi at later stage, Prof. A.K. Tiwari, Dr.. P.K. Durani, Dr. P.C. Kumbhat, Dr. M. Hasan, Dr. S.S. Dhabariya, who later served as director of Remote

Sensing in BITS Pilani, and Dr. J.K. Jain, Prof. G.S. Rathore, Prof. B.B.L. Sharma, Prof. Bhajanlal by way of teaching, research, publication and organising conferences and workshops pertaining to the field of geography. In the year of 1963 the Department of Geography was established for Post Graduation and the first batch of M.A. students passed with nine students in 1965.

The Department of Geography has 11 faculty members as follows: Prof. Jai Singh, (HOD), Prof. Rajendra Parihar, Prof. Irfan Mehar, Dr. Arjun Lal Meena, Dr. Asha Rathore, Mr. Govind Singh, Dr. Lalit Singh Jhala, Dr. Om Prakash, Dr. Gaurav Kumar Jain, Dr. Ashwani Arya, Dr. Anamika Poonia.

About Distinguished speakers

Prof. R. B. Singh , Dr. R.B. Singh is Ex. Professor of Geography since 1996 and Ex. Head in the Department of Geography, Delhi School of Economics, University of Delhi, Delhi-7 until Feb 2, 2020. Earlier served as UGC Research Scientist-C/Professor (1996-2002), UGC Research Scientist B/Reader (1988-1996) and Lecturer (1985-1988); Coordinator UGC-SAP-DRS III and Head, Department of Geography during 2013-2016. Recently, Prof. Singh got elected as first Indian and second Asian secretary General and Treasurer of the International Geographical Union for 2018-22. Dr. Singh is presently Chair, Research Council, CSIR-Central Food Technological Research Institute, Mysore; Member-Research Council-CSIR Central Institute of Medicinal and Aromatic Plants, Lucknow; Member of International Science Council (earlier ICSU) Prestigious Scientific Committee-Health and Wellbeing in Changing Urban Environment-System Analysis Approach. Prof. Singh was Vice-President, International Geographical Union (IGU) since 2012 and is elected again for second consecutive term (2016-18) of the highest world geographical body. He is invited by IAP-Global Network of Science Academies to join Working Group for statement on Science and Technology for Disaster Risk Reduction. He was unanimously Elected President of the Earth System Science Section of the Indian Science Congress Association for 2019-20. NITI Aayog, Government of India invited him as Member of the prestigious committee for preparing Vision India-2035. Chair, Task Force, Landslides Awareness, National Disaster Management Authority, Government of India, 2018-2019. He is also International Science Council GeoUnion Committee on Risk and Disaster Management. He is First Indian Geographer bearing dual distinction of the IGU Secretary General and ISC Scientific Committee Member.

Dr. A. R. Siddiqui: Prof A R Siddiqui Head, Department of Geography Allahbad Central University, Prayagraj, did his B.Sc,M.Sc,M.Phil&Ph.D degree from Aligarh MuslimUniversity, Aligarh, Dr.Siddiqui also qualified UGC NET/Agricultural Research Services NET Examination, he started his initial career from Chaudhary Charan Singh University, Meerut in the year 1999 as lecturer, Later he joined University of Allahabad University in the Year 2001, He has been elevated as Reader in the year 2009, Associate Professor in 2012 and Professor in 2015. He has completed NNRMS training course and three international training programmes sponsored by United Nations. He has also obtained P.G.Diploma in Geo-Information Science specialization in Geo-Hazards from IIRS Dehradun and ITC The Netherlands. His specialization is in arid zone research, urban environment issues and application of remote sensing and GIS in land degradation studies. He has supervised 9 Ph.D students. He has published 38 research papers in peer reviewed journals

and Dr.Siddiqui is author of three books. Professor Siddiqui attended more than 70 national and International conferences. Professor Siddiqui is recipient of excellence award in the year 2018 by university of Allahabad. He has visited France,Russia,China,Belgium,The Netherlands,Switzerland,Italy,Austria,Greece,Nepal for academic purposes. Dr.Siddiqui is member of various professional bodies. Dr.Siddiqui was also Dean Students Welfare (two times) Presently he is having the responsibility of International Advisor of Foreign Students,Chairman Data Cell,Nodal officer NIRF/AISHE etc. He is holding the post of Senior Vice President Allahabad University Teachers Association(AUTA) Earlier he was Joint Secretary IGI/Treasurer IGI Now from the 2016 he is holding the post of Secretary General Indian Institute of Geomorphologists.

Dr. Anil Kumar: Anil Kumar is a scientist/engineer “SG” and the head of photogrammetry and remote sensing department of Indian Institute of Remote Sensing (IIRS), ISRO, Dehradun, India. He received his BTech degree in civil engineering from IET affiliated to the University of Lucknow, India, and ME degree as well as PhD in soft computing from the Indian Institute of Technology, Roorkee, India. So far he has guided five PhD thesis and six more are in progress. He has also guided several dissertations of MTech, MSc, BTech, and postgraduate diploma courses. He always love to work with PhD scholars, Master and Graduate students for their research work, and motivate them to adopt research oriented professional carrier. He received the Pisharoth Rama Pisharoty award for contributing state of the art fuzzy based algorithms for earth observation data. His current research interests are in the area of soft computing based machine learning for single date and temporal multi-sensor remote sensing data for specific class identification and mapping through in-house development of the SMIC tool. He also works in the area of digital photogrammetry, GPS, and LiDAR.
