## **CRITERION –VI GOVERNANCE, LEADERSHIP AND MANAGEMENT**

### **6.1 Institutional Vision and Leadership**

**6.1.1** (Mention two practices of decentralization and participative management during the last year (maximum 500 words) University Level)

**6.1.2** (Does the institution have a Management Information System (MIS)?University Level)

### **6.2 Strategy Development and Deployment**

**6.2.1** Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

#### ☐ Curriculum Development

The course curriculum department of Civil Engineering has been provided by the university. Following is the process used to identify extent of compliance of University curriculum for attaining the POs and PSOs.

- Identify Course Outcomes for each subject.
- Map each Course Outcome with POs and PSOs.
- The GAP is analyzed on the basis of the CO attainment of individual courses.
- The Gap is discussed in the Departmental Academic Committee meeting and the content beyond the syllabus is prepared accordingly to bridge the GAP.

These contents are delivered to the students through Theory/ Practical/ Tutorial classes

#### ☐ Teaching and Learning

The following Pedagogical initiatives were taken to improve quality of Teaching & Learning:

- Making the students understand the concept/ theory / problems in the classroom keeping in view various cognitive levels of learning: remembering, understanding, applying, analyzing, synthesis, evaluation and creativity.
- Using teaching & learning methodologies like traditional black board, NPTEL notes & videos, power-Point presentations and Open source courseware for improved and effective delivery of course contents. Also, using digital/smart classroom to provide big picture of learning and to promote visual observation skill for the students.
- Students are encouraged not only for GATE and ESE exams but also for placement drives, projects and research.
- Students are initiated and motivated to improve their personal management skills like: communication, group discussion collaborative learning, creativity and critical thinking.
- Orientation towards- Outcome based Education (OBE) and actively utilizing the OBE to cater the learning needs of students by innovative way.

#### ☐ Examination and Evaluation

Initiatives taken for Quality of End Semester Question Papers:

- For each subject, question paper will be set by internal as well as subject experts.
- A frequent viva-voce and class test (especially in workshops and labs) not only increases interest of the

students but also enhances their performance.

- Frequent assignment in the form of Quizzes/ PPT presentations/Numerical problems are given to the students for internal assessment.

#### □ Research and Development

Research and Development activities are one of the prime focus of the department. Faculties are continuously engaged in the practice of publishing papers in the reputed national and international journals, books, conferences. Faculties are encouraged to handle projects funded by government agencies.

#### □ Library, ICT and Physical Infrastructure / Instrumentation

Initiatives and implementation details of improving Quality of Laboratory Experiments

- One well equipped computer lab has been established in the department. The computers of the lab have latest design software like Arc-GIS ,MATLAB.

#### □ Human Resource Management (University Level)

#### □ Industry Interaction / Collaboration

Frequent industrial visits have also been organized by the department to keep the students updated with latest trends in technology and to acquire the practical knowledge of that.

#### □ Admission of Students

(Institute Level) REAP, LEAP

### **6.2.2** (Implementation of e-governance in areas of operations)

#### □ Planning and Development

(University Level) E-Tendering, E-Procurement

#### □ Administration

(University Level) IUMS , Information sharing through mails.

#### □ Finance and Accounts

(University Level) Salary through PFMS

#### □ Student Admission and Support

(University Level) Admission through online applications

#### □ Examination

(University Level) Exam forms, admit cards and result is available online.
