## **Mob Lynching: Legal and Social Dimensions:**

Lynching is a premediated extrajudicial killing by a group. It is most often used to characterize informal public execution by a mob in order to punish an alleged transgressor or to intimidate a group. The origin of the word 'lynch' is said to have originated during the American Revolution phrased as 'Lynch Law' which is a punishment without law. The Matter of fact is that large number of people killed in mob violence every year. Within certain period of time India has come across various incidents related to mob lynching. This platform of E-conference provides a place of discussion to the Research Scholars, academicians, advocates and professionals from the various fields such as Law, Social Science, Humanities, Political Science, Anthropology, Psychology, Criminology, Victimology and other concern disciplines. Such interaction will help in draw a solution for society and govt. machinery to overcome and effective control on such inhuman practices. The outcome of this conference will help in making policies which will be beneficial for society today and tomorrow.

## **Scope of the Discussion (Sub-Themes)**

- 1. Mob Lynching: Concept and Social Dimensions**
- 2. Mob Lynching: National and International Experiences**
