## **ADDRESS OF PRESIDENT DR. S.S.TAK TO 44<sup>th</sup> GENERAL BODY MEETING HELD ON 19th Sept. 2021**

Dear Members

I welcome you all on behalf of all office bearers and on my own behalf to 44th General Body meeting. First of all, on behalf of all office bearers, will like to thank from the Core of Our Hearts, the Alumni at large and members of Alumni Association for extending such a overwhelming support to us during last two years. What ever has been achieved in last two years is because of this hole Hearted support. I hope we have lived upto the Expectations of the Alumni.

As you know, the Present Executive Committee had taken over the charge in August 2019.

In addition to normal work of the Association, the Executive Committee had set for itself, three specific goals:

1. To strive for a more Effective and Efficient Administrative Structure for MBM Engineering College, being prerequisite for restoring old glory of MBM.
2. To restart Girls Hostel Project and make the Hostel operational .
3. To develop a network platform to connect maximum possible Alumni all over the world.

I will like to give you in brief the efforts made and the extent to which we could achieve these goals.

For effective and efficient Administrative structure for MBM, as has been informed in the earlier meeting we could convince the Hon. Chief Minister Shri Ashok ji Gehlot to grant University Status to MBM. He very kindly agreed to our request. The present status is that, the Council of Ministers had approved the Bill " MBM UNIVERSITY ACT 2021" and the Bill has been placed on the table of Assembly during budget session. However due to Second Wave of COVID19 the Assembly was adjourned abruptly and Bill could not be taken up by the Assembly . We are sure that " MBM UNIVERSITY ACT.2021 " will be approved in the Next Session of Assembly.

But for Covid 19, MBM would have become University by now. In the changed circumstances , we hope our this dream will become a reality by September/ October 2021 .

For Girls Hostel, it was decided that Our Priority should be to make our huge investment productive by completing at LEAST TWO FLOORS as early as possible.

I am extremely happy to inform that by the Grace of God, Blessings of our Teachers and all out Generous contribution by Alumni we have COMPLETED ALL THE THREE FLOORS.

NOT ONLY THAT WE HAVE REPLENISHED THE CORPUS FUND FROM WHICH a SUM of MORE THAN Rs. 1 CRORE was drawn for this purpose in the past.

This is the result of efficient, transparent and economical handling of the Project by our Building Committee Headed by Er Jai Singh Choudary. Our heartfelt Appreciation for All the members of Building Committee.

In short upto 31st March 21 a sum of Rs 6.5 Crores has been spent on Girls Hostel, of which Rs 2.00 Crores were contributed by Shree Cement, of the remaining Rs 4.5 Crores, Rs 3.5 Crores have been contributed by the Alumni during tenure of present Executive Committee, that too upto 31st March 21. After March Association has further received Rs 50 lakh making a total of Rs 4.0 Crores only under this head during last two years.

WE SALUTE ALL THE GENEROUS CONTRIBUTORS in General and in Particular ,Prof. R . R. Tatia & family ( Mrs. Shashi, Anand and Gaurav Tatia) contributing Rs.40 lakh , Er Suresh Modi & family of Metalizing Equipment contributing Rs.31 lakh, Er Harendra Singh of H. G. Infrastructure Ltd contributing Rs.25 lakh and Er Surendra Surana Rs 11 lakh.

Our former teachers including Prof. Tatia blessed us with a contribution of Rs 70 lakhs.

Amongst the batches 1968 batch contributed Rs 60 lakh prior to 2019 and further added Rs 11 lakhs making a total of Rs. 71 lakhs, 1974 batch contributed Rs 30 lakh, 1969 batch contributed Rs 20 lakh, 1977 batch contributed Rs 23 lakh and 1990 batch contributed Rs 20 lakh , We highly appreciate the efforts made by coordinators of 1968 Dr. G. C. Kothari, 1969 Er KML Mathur & V. N. Bansal, 1974 Er Sohan Bhutra & Er Akash Mehta , 1977 Dr P. C. Purohit and 1990 Er Dinesh Goyal.

We thank ALL BATCH COORDINATORS for their kind support in mobilising the contribution from their batch mates. The list of Batches, contributing for a Room/Rooms and Individuals contributing more than Rs 1.0 lakh has been printed in the News Letter and name of each and every contributor is available in excel sheet attached herewith.

WORDS ARE NOT ENOUGH TO EXPRESS OUR GRATITUDE TO THE CONTRIBUTORS FOR THEIR GENEROUS AND GRACIOUS CONTRIBUTION. LET US GIVE THEM ALL A STANDING OVATION.

For the furniture of Girls Hostel, Hon. Vice-Chancellor was kind enough to sanction Rs 18 lakhs in October 2020. However, this grant was not utilized in last financial year for reasons best known to people responsible for it. Hon. VC has renewed this grant recently on our request and we hope that Furniture will be procured soon.

As you are aware two waves of pandemic COVID19 resulted in a Nation wide LOCKDOWNS bringing every thing to a halt for a very long time and causing lots of suffering.

We can say with Pride that we were Among the FIRST FEW PROFESSIONAL Bodies which came forward to Help fight this dreaded pandemic. Even Institution of Engineers gave call almost a month after.

I CONGRATULATE Alumni for contributing so Generous for this Social Cause. Their response was far beyond our initial expectations. Alumni contributed more than Rs 50 lakh for COVID19 Help Fund. Association provided PPE kits, Masks and Sanitizer during the first wave and a Oxygen Plant and 20 Oxygen Concentrators during the Second Wave. USA Alumni contributed more than Rs 30 lakh for this cause. We thank them from core of our hearts. Our Heartfelt Appreciation for Er Mahesh Soni and Er Sanjay Sharma for reaching out to Front line Covid workers risking their own health during the first wave of COVID19.

During last two years we have added Rs 16 lakh to Corpus of Permanent scholarships. The Adhoc Scholarships awarded were all time high, more than Rs 7.5 lakh in two years. Adoption by Er B. L. Mohata continued averaging more than Rs 3.00 lakh per annum.

Association have now FCRA registration and therefore can receive funds from overseas directly in foreign currency. Just in last two months we have received about Rs 30 lakh through this account. Our Heartfelt Appreciation for Prof. (Dr. ) Ramesh Chandra Joshi 55 batch for contributing more than Rs 18.00 lakh as first contribution in FCRA ACCOUNT.

I hope you all are aware that we have renovated Our Association Office including much needed repair and maintenance costing about Rs 5.5 lakh.

It gives me a great satisfaction to inform you that financial health of the Association has improved considerably in last two years. As of today we have FDs for more than Rs 3.0 Crores against the Rs 1.25 Crores when this EC assumed the charge.

All this has become possible because we could reach out to much larger number of Alumni. We are trying to expand it further using IT tools, yet we need to do a lot in this area. Our new website with many new features is ready . It has been developed in house. We highly appreciate the hard work put in by Er O.P. Madhvi 68 batch for this development. I will request you all and the Alumni at large to register themselves on this website for better communication.

My sincere apologies to the institutors of Gold Medals for not awarding the Gold Medals in last two years. No excuses. However, I wish to assure them that ALL these pending Gold Medals will be awarded this year. We have made a provision for the same in budget of 2021-22.

All these achievements have generated new expectations from Alumni Association, in MBM fraternity . I am sure Association with the cooperation of Alumni worldwide, will Live Up to these expectations.

I will earnestly request you all to motivate all our Alumni who have as yet not taken the Membership of Alumni Association to become Life Member of Association.

I once again welcome you to this 44th General Body Meeting.

**Prof.(Dr) S S Tak**  
President

**Er. ASHWINI VAISHNAV**  
Union Cabinet Minister  
Govt. of India

Er Ashwini Vaishnav born at Jodhpur, graduated from MBM Engineering College (JNV University) Jodhpur in 1991. He obtained his B.E. Degree in Electronics and Communication Engineering with Gold Medal. He did his Masters Degree from IIT Kanpur before cracking IAS in 1994 with an all India rank of 27. He joined Indian Administrative Services in Odisha cadre and worked extensively in Odisha. His Exemplary Services were recognised by then PM Shri Atal Bihari Vajpayee and in 2003 he moved to Delhi to join as Dy. Secretary in PMO. In 2004 when Shri Vajpayee lost power, he continued as his Private Secretary. In 2008, Vaishnav left for USA to do his MBA from Wharton School, University of Pennsylvania.

After returning from USA, he briefly continued in IAS cadre and served as Chairman of the Mormugao Port Trust. After resigning from IAS, he joined GE Transportation as Managing Director. Subsequently he joined Siemens as the Vice President- Locomotives & Head Urban Infrastructure Strategy. He moved on to become an Entrepreneur and established his own Industry.

Having established himself a CEO and an Entrepreneur, Er. Ashwini joined a much wider field, the Indian Politics. Soon in 2019 he was elected to Upper House ( Rajya Sabha ) from the State of Odisha on BJP ticket. On 7th July 2021 he was appointed as Cabinet Minister, Government of India and sprung a surprise in Political Arena when he was assigned Three Very important portfolios, Railways, Communication & Electronics and Information technology.

MBM fraternity worldwide is proud of his achievements and hails him for setting a record high of the bar for MBM Achievers.

**Dr. Ratan Tatiya**  
**1948-2020**

Dr. Ratan Tatiya, unfortunately left us in March of 2020. His personality glorified principles of honesty, hard work and humility.

Professionally, he had a unique combination of being an academician, an industry leader, and a miner. MBM Engineering College recognized his brilliance and awarded him the Gold Medal in 1970 Mining batch. He started his career as a Mines' Manager at Khetri Copper Mines & was awarded "First Class Mines' Manager" - the Highest Position to Manage Mines in commonwealth countries.

He was awarded a unique Commonwealth Scholarship to accomplish his Doctorate degree at the Royal School of Mines, Imperial College, London, and the Diploma Imperial College (DIC), an honor which generations will remember and benefit from.

His passion for teaching at MBM Engineering College, Jodhpur, India and Sultan Qaboos University, Muscat, Oman, is well reflected by the number of students he has across the globe and who remember and refer him for his excellent knowledge on the subject, simple techniques of teaching and his pleasant personality.

He achieved international accolades and was a global personality in the space of Mining and the related areas. His international publications, by way of 3 books and 60 technical papers, are an unparalleled source of education for future generations. His books, namely Surface and Underground Excavations – Methods, Techniques and Equipment; Civil Excavations and Tunneling – A Practical Guide & Elements of Industrial Hazards, Health, Safety, Environment & Loss Prevention, have enjoyed excellent appreciation from researchers and students globally. In corporate world he held leadership positions at well-known global industry giants. Under his leadership the corporate world hugely benefited in terms of improving their top and bottom line.

As much as he was dedicated to his profession, he was equally dedicated to social causes. Education and Healthcare were close to his heart. He was a keen believer in giving back to the society and dedicated the later part of his life in a quiet but effective manner for uplifting his fellow country men & women to lead a life with full dignity, honesty and hard work. He & his wife Mrs. Shashi Tatiya have founded a trust by the name of RASTA to channelize their personal efforts and resources for the benefit of humankind. RASTA continues to work as per the vision led by Dr. Tatiya.

He was very kind hearted to association. He contributed Rs. 5 Lacs for girls hostel project and offered to contribute another Rs. 35 Lacs for dining hall. Before he could do that, he left for heavenly abode on 29th March 2020. His family fulfilled his desire by contributing Rs. 35 Lacs. thereby making total contribution of Rs. 40 Lacs.

**Mr. S. C. MODI**  
**1950-2021**

With profound grief & sorrow we inform that Mr. S. C. Modi, 71, Managing Director of Metallizing Equipment Company, India has passed away on 28th May, 2021. Born in Jodhpur, India. He graduated in mechanical engineering in 1971 from the University of Jodhpur. Next year 1972, he joined his family business with his elder brother Mr. M. D. Modi. He developed Surface engineering technology, in particular Thermal Spraying, Shot peening and Abrasive blasting. He has been a fellow member of American Society of Materials (ASM). He contributed several technical papers which were published in National and international magazines. He was main sponsor of Asian Thermal spray conference held in Hyderabad, India in 2014. Mr. Modi promoted a world-class thermal spray laboratory accredited to ISO 172025:2017. He attended almost all International Thermal Spray Conferences held in the past 40 years and developed close relations with the Thermal Spray fraternity worldwide. Mr. Adam Wintle, TSASA Acting Chairman said that Mr Modi was considered as the “Father of the Thermal Spray Industry in India” and a mentor to many within the industry worldwide. An obedient son of parent, Mr. S. C. Modi imbibed personal attributes of life such as noble character, integrity and truthfulness. He breathed his last at holy place of his Guru Ashram. He is survived by his wife Vandana, daughter Anubha and Son Ankur.

He was very benevolent to society at large and association in particular. He gave Rs. 10 Lacs for girls hostel project. He assured more contribution as need arise. To fulfill his desire his family gave another Rs. 21 Lacs in his memory.
