JODHPUR

Sub: TARGET : WASTE MANAGEMENT

This is to draw your kind attention towards a very significant issue. It has been observed that only few Departments/Cells/Centres are working towards Waste Management. It would be highly appreciated if all Departments/ Cells/ Centres/ Offices/ Hostels must start this practice of Waste Management. This practice is extremely important because this shall prevent outbreak of many hazardous diseases.

Therefore, you all are requested to make a good working plan for Waste Management

(KANHAIYA LAL SHRIVASTAVA)
