3. The formal offer of appointment will be sent to you by the Cadre Controlling Authority (CCA) of the Service, namely, Ministry of Railways, (Ms. Sheba Brittas, Dy. Director, Estt(GR)), Railway Board, Rail Bhavan, New Delhi. Ph. 23303277 in your case subject to verification of character and antecedents/claim for OBC/SC/ST. 4. The candidates must note that in case, at any stage, if it is found that the candidate's certificate is fake or candidate has furnished false information, he shall be liable to be proceeded against under the relevant rules leading to such penalty as may be decided which now extends to termination of his appointment. Such action shall also be without prejudice to any other punitive action as may be attracted in such cases.

5. In respect of the candidates allocated any of the Central Civil Services, attention is invited to this Department's OM No. 11012/7/91-Estt.(A) dated 19.05.1993 as amended from time to time and which already stipulated the action that can follow furnishing of false information or submission of false certificates. The operative part of said OM is reproduced as below:-

"Wherever it is found that a candidate who was not qualified or eligible in terms of the recruitment rules etc., for initial recruitment in service or had furnished false information or produced a false certificate in order to secure appointment, he should not be retained in service. If, he is probationer or a temporary Government servant, he should be discharged or his services should be terminated. If he has become a permanent Government servant, an enquiry as prescribed in Rule 14 of CCS(CCA) Rules, 1965 may be held and if the charges are proved, the Government servant should be removed or dismissed from service. In no circumstances should any other penalty be imposed."

The aforementioned OM dated 19.05.1993 clearly brings out that disciplinary enquiry involving the matter of securing jobs on the basis of false/fake certificates should be completed in a time bound manner and unscrupulous persons who have got appointment on the basis of fake/false certificates should not be retained in service and should be dismissed/removed from service.

6. This allocation of service is provisional for the candidates who have claimed/availed the benefits of any type of reservation for posts and service in terms of the following instructions.

OBC Candidates: - While forwarding the dossiers of the successful candidates of the Civil Services Examination, the Union Public Service Commission (UPSC) has stated that

"There may be some cases where though the OBC certificates have been issued to the candidates, the 'creamy layer' status may be doubtful keeping in view the income/status of the parents of the candidates as per the declaration of the candidates vide columns (30) and (31) in the Detailed Application Form. It is, therefore, requested that the Government may, in such cases, like to ensure that such candidates do not attract 'creamy layer' provision and offers of appointment to these candidates may be made after the Government satisfy themselves in this respect also. Based on the information supplied by the candidates the Govt. may satisfy itself about the genuineness of their OBC claims. These candidates have been provisionally treated as OBC candidates, subject to the Govt. satisfying themselves about the genuineness of their OBC claims."

This Department has issued OM No 36012/22/93-Estt. (SGT), dated 8th September, 1993 and letter No 36033/15/2004-Estt (Res) dated 14th October, 2004 and other extant instructions in this regard from time to time in accordance with these instructions, only Non-Creamy Layer OBC candidates are entitled to get the benefits of reservation earmarked for Other Backward Classes (OBC). The allocation is, therefore, provisional to this extent and is subject to further verification of Non-creamy Layer status by the Cadre Controlling Authority.

7. Please also note the following instructions:-

- If you do not report to respective Cadre Controlling Authority on/before the scheduled date to be decided/fixed by the CCA, it will be presumed that you are not interested in joining the service on the basis of CSE-2018 and further action regarding cancelling your offer of appointment may be taken without any further notice.
- In case, the enquiry as envisaged under Rule 20 of the Civil Services Examination Rules is pending in your case, your appointment will be subject to your being found suitable on conclusion of such enquiry and consequent necessary decision by the Government with regard to your character and antecedents.
- In case, at any stage, it is found that any Certificate/Document/Testimonial etc. as furnished by you and having a bearing on your eligibility is not in order, then your appointment shall be cancelled forthwith without prejudice to any punitive action under the relevant rules.
- As a person having more than one spouse living is not eligible for appointment to Government Service, your appointment, too, would be subject to this condition.
- Further, the Government has implemented a new structured defined Contributory Pension Scheme for new entrants to the All India Service/Central Government Service w.e.f. 1st January, 2004, replacing the earlier system of defined benefit pension system. Accordingly, wherever applicable, you will be joining the new contributory pension scheme instead of the earlier defined benefit pension system.

Dear Candidate,

You had applied in UGC-NET held on 5th November, 2017 for Junior Research Fellowship in OBC category. I am pleased to inform you that you have qualified by securing marks at par with the qualifying cut-off for GENERAL category. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 2nd January, 2018 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf along with other Annexures.

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than two years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee, (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in/AdminLogin.aspx>) for capturing data of the awardee. The Universities/ Colleges/ Institutions will submit the master data of the awardee on the portal with a unique user profile of the University/ Institution/ College (user name and password already provided to the University/ Institution/ College). The Universities/Institutions/ Colleges shall update the information in the master data (regarding continuation, HRA, up-gradation, resignation etc.) of the beneficiaries on quarterly basis. Based on the master data received from the concerned Universities/Institutions/Colleges the payment of the fellowship will be made to the beneficiaries.

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide his D.O. No. F.14-34 2014 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- Misconduct of Awardee.
- Unsatisfactory progress of research work.
- Failure in any examination related to M.Phil./ Ph.D.
- In case, any other fellowship is drawn from other source(s).
- Concealment of facts.

The e-Certificate of Eligibility for Assistant Professor has already been uploaded on www.ugcnetonline.in. The category and eligibility of the candidate is to be ensured by the institution appointing authority.

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and Eligibility for Assistant Professor in the Joint CSIR-UGC Test conducted on 16th June 2019. Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \bar{M}_{ij} was computed using the formula

$$\bar{M}_{ij} = \frac{\bar{M}_{ti}^g - M_{iq}^g}{\bar{M}_{ti}^g - M_{iq}^g} (M_{ij} - M_{iq}^g) + M_{iq}^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_{ti}^g is the average marks of the top 0.1% of the candidates considering all sessions

M_{iq}^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session
