1. Introduction

1.1 An Overview

M.B.M. Engineering College (Mugneeram Bangur Memorial Engineering College, **MBM**), Jodhpur is one of the oldest engineering colleges in India.

History

The M.B.M. Engineering College was established on 15 August 1951, by the Government of Rajasthan. This was made possible by a donation of INR 8,00000 (8 Lacs) from Seth Ramcoover ji Bangur of Didwana and INR 2,00000 (2 Lacs) from the Hanwant Benevolent Fund. Mathura das Mathur and A. D. Bohra started the college in the Ugamji's bungalow near the railway over bridge leading to Sojati Gate, within two months of obtaining approval from the Government. The laboratories and hostels were housed in the old guest house in Ratanada. After a couple of years, the college moved to its present location covering an area of 92,000 sq.m. and new hostels were constructed.

With the establishment of Jodhpur University (now Jai Narian Vyas University) in July 1962, this college became its Faculty of Engineering. V. G. Garde became Principal on 3 December 1951. Professors who later joined the college include Hari Singh Choudhary, S.C. Goyal, R.M. Advani, M. L. Mathur, Alam Singh, S. Divakaran, V. S. Bansal, D. C. Surana, and BC Punamia.

Administrative Block of M.B.M. Engineering College

Academic history

MBM offers courses of study in engineering and educational programmes leading to the degrees of Bachelor of Engineering, Master of Engineering, Doctor of Philosophy (Ph.D.), and Post Graduate Diploma in the following:

- In 1951, MBM started, offering a three-year degree course leading to Bachelor's degree in Civil Engineering, and a two-year diploma course in Civil Engineering, with an intake of 35 students in each course.
- In 1957, a Bachelor's degree in Mining Engineering was started.

- In 1958, Bachelor's degree courses in Electrical Engineering and Mechanical Engineering were started.
- In 1966, Master's degree in Civil, Electrical, Mechanical and Mining Engineering were started.
- In 1972, a Bachelor's degree in Electronics and Communication Engineering was first offered.
- In 1988, a Master's degree course in Master in Computer Application was started.
- In 1990, a Master's degree in Electronics and Communication Engineering and Bachelor's degree in Computer Science and Engineering and Production and Industrial Engineering were started.
- In 1998, a Bachelor's degree course in Chemical Engineering and a Bachelor of Architecture were started.
- In 1999, a Post Graduate Diploma in Stone technology was started.
- In 2000, the Department of Computer Science and Engineering started a degree course in Information technology.
- In 2010 a Post Graduate Diploma in Interior Design was started in Department of Architecture, with the intake of 60 students.
- In 2011 the Department of Electronics & Communication added undergraduate B.E. programs in Electronics and Electrical Engineering, and Electronics and Computer Engineering. A degree course named "Bachelor of Building and Construction Technology" was started with the intake of 60 students with the approval of AICTE.
- In 2012 the Bachelor of Architecture course was restarted with the permission of Council of Architecture, with an intake of 40 students.
- In 2014 the official website of the college was launched.

Departments and Centers:

MBM has 14 departments and 3 centers:

- Architecture (since 1998)
- Chemical Engineering (since 1998)
- Civil Engineering (since 1951)
- Computer Science and Engineering (since 1988)
- Electrical Engineering (since 1966)
- Electronics and Communication Engineering (since 1972)
- Electronics and Computer Engineering (since 2010)
- Electronics and Electrical Engineering (since 2010)
- Information Technology (since 2000)

- Mechanical Engineering (since 1966)
- Mining Engineering (since 1958)
- Production and Industrial Engineering (since 1990)
- Structural Engineering
- Educational Multimedia Research Centre (since 1986)
- Faculty Computer Centre
- Netlab (Internet Laboratory)

Department of Mining Engineering

Department of Mining Engineering puts MBM in one of the three engineering institutes in the world which have their own underground mines with ventilation systems. The students are taught with better appreciation of mining methods. Mining department has world class geology, fuel assaying, and other laboratories.

Educational Multimedia Research Center

Educational Multimedia Research Center (EMMRC), Jodhpur a production and research center for educational films for UGC-CWCR, received national recognition for its contribution in the field of electronic media. The Center is fully funded by the University Grants Commission.

The AVRC project (Now Educational Multimedia Research Center) was sanctioned by the UGC in 1986, and produces educational TV films. The UGC upgraded the Center from AVRC to EMRC (Educational Media Research Center) in 1991, which became EM2RC (Educational Multimedia Research Center) in September 2004. After producing its first film, "Desert Bats", in 1987, the EMMRC produced over 1,900 educational TV films in Hindi and English on subjects including science, commerce, arts, education, literature, culture, folklore, humanity, medical science, engineering, etc. Twenty of them won appreciation and awards at the national level; they include

- JeevatKeDhani: Hanuman Langoor
- Gangaur - EkSanskritikVirasat - 1
- Maand: Parampara Ki Pratishruti - 1 & 2
- World's Oldest Mountain Chain Aravalli
- Jodhpur Durg - Mehrangarh
- Neem - The Green Goldmine

It has been nominated for the assistantship under TEQIP-III in the year of 2017.

1.2 Details about The Institution

Category of the Institution: Undergraduate in Engineering & Technology, Postgraduate in Engineering & Technology

Name of the Institution: M.B.M. Engineering College (Mugneeram Bangur Memorial Engineering College, MBM), Jodhpur

Address of the University: Jai Narian Vyas University, Ratanada, Jodhpur

1.3 Vision and Mission of the Institute

Vision of the institute

“To be a leading educational institute that provides quality technical education and conducts research to produce knowledge-rich professionals for meeting the dynamic needs of the industry and society.”

Mission of the institute

- To impart quality technical education to the students to make them globally competent engineers, contributing to the development of the nation and world at large.
- To imbibe ethical values, scientific and industrial temperament, and spirit of innovation among students.

1.4 Status at Entry Level

MBM Engineering College or Mugneeram Bangur Memorial Engineering College is one of the oldest engineering colleges in India. Established in 1951 by the Government of Rajasthan is accredited from AICTE and it is affiliated to Jai Narain Vyas University. The college offers various UG and PG courses in engineering as well as other streams.

- Selection to the B.E. program is done on the basis of performance in JEE Main.
- Admission to M.E. and MCA is done on the basis of GATE (Graduate Aptitude Test in Engineering) and **RMCAAT (Rajasthan Master of Computer Application Admission Test), respectively.**

1.5 Priorities for Academic Excellence

Quality of faculty and students:

- Outcome-based teaching and learning process.
- Development of learning resources and infrastructure.
- Industry-Institute relation
- Involvement of people (students, faculty and staff)

1.6 Philosophy

Basic academic philosophy of the Institution is:

- To provide competency based Technical education and training to the students to face global challenges.
- Continual improvement in education system through TQM philosophy.
- Fostering team work, quality circle for improvement of Technical education system.
- Encouraging industry-to-institute interaction to make the students fit to the industrial environment and helping the industries with update technology.
- Encouraging entrepreneurial attitude among the students to be job creator rather than a job seeker

1.7 Education system

MBM offers undergraduate educational program in thirteen disciplines, namely, Electronics and Communication Engineering (ECE), Architecture, Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Electronics and Computer Engineering, Electronics and Electrical Engineering, Information Technology, Mechanical Engineering, Mining Engineering, Production and Industrial Engineering, Structural Engineering.

MBM has been following semester system with internal and continuous assessment in two departments namely Computer Science and Engineering and Production and Industrial Engineering.

1.12 Output Indicators

- Increase in research publications and Institute Industry relation.
- Increase in Faculty exchange program.
- Increase in participation in Short term courses, Seminars, Workshops and Faculty Development program.
- Increase in participation to MOOCS courses.
- Development of state-of-the art infrastructure in terms of smart class rooms, lab equipment, water supply, and sanitation.
- Development of START-UP CELL. Startup cell and Incubation center are established at MBM College and various events was organized to know the importance of being an entrepreneur and ways to get financial assistance to become an entrepreneur.
- Swayam Prabha facility started.

- Induction workshop for First year students has been organized.
- Student Learning Assessment (SLA) by Stanford University, USA has been conducted.
- Lectures delivered by distinguished professionals from industry and academicians.
- Laboratories equipped with latest tools being used meaningfully.
- Administrative reforms (MIS, Transparency and self-monitoring mechanisms, autonomy, well defined responsibilities & accountability, maintenance etc.)

1.8 Governance, Academic & Administrative Management

The Governance and academic administrative management will be in accordance with the provisions of the Acts, the Statues and the Regulations provided in the JAI NARIAN VYAS UNIVERSITY LAWS. However, in the light of AICTE norms, if needed, necessary amendments shall be incorporated in the Statutes & the Regulations.

Governing body in the institute consist of the following committees.

S.No.	Name of Committee	Frequency of Meetings
1	Senate	Annual meeting
2	Syndicate committee	As needed
3	Academic council	Once in a year

Senate in the institute consist of the following members

S.No.	Description of statue
1	The Chancellor
2	The Vice-chancellor
3	All former Vice chancellors
4	Vice-chancellors of other universities in Rajasthan
5	The Registrar
6	The Dean of Faculties
7	The Chief justice, Rajasthan High court, Jodhpur
8	The Minister for Education, Rajasthan
9	The Chairman, Board of secondary education, Rajasthan
10	The Director of college education, Rajasthan
11	The Director of education (Primary and secondary), Rajasthan
12	The director of technical education

13	2 Members, not below the rank of the head of following departments, to be nominated by the state government by rotation; medical, industry and commerce, forest, public work, mines and geology, development and planning.
14	All member of syndicate
15	All HOD's of status of a Professor or reader
16	One member of the state legislature nominated by the speaker
17	One member each nominated by (i) the ministry of DRDO (ii) Oil and gas commission (ii) The central Arid zone research institute , Jodhpur
18	Chairman, Jodhpur Municipal Corporation
19	Not more than two members to be nominated by the state government
20	Persons who have rendered distinguished service to education, not exceeding two in number, nominated by the chancellor.
21	Two persons nominated by the state government
22	President and senior vice president of the central student union shall be ex-officio other members

Syndicate committee for academic year 2017-18 consist of the following members:

S.No.	Name & Designation
1	The Vice-Chancellor, Jai Narain Vyas University, Jodhpur
2	Prof. Chandan Bala, Dean, Faculty of law, J.N.V. University, Jodhpur
3	Prof. Poonam Bawa, Director, KNCW, J.N.V. University, Jodhpur
4	Prof. Ravi Saxena, Department of civil Engineering, J.N.V. University, Jodhpur
5	Prof. Lal Singh Rajpurohit, Department of Zoology, J.N.V. University, Jodhpur
6	Dr. Bharat Singh, Vice-Chancellor, Raj Rishi, Bharatari Matsaya University, Alwar
7	The Director, College Education Rajasthan, Jaipur
8	Dr. Richhapal Singh, Associate Professor, Government college, Jodhpur
9	Prof. Madan Singh Rathore, professor, Mohan LalSukhadia University, Udaipur
10	Shri Arjun Lal, Hon'ble M.L.A. Birara, Distt. Jodhpur
11	Shri Pabba Ram, Hon'ble M.L.A Phalaudi, Distt.- Jodhpur
12	Ms. Kanta Gwala, President, Student Union
13	The Director, College Education Rajasthan, Jaipur

A Board of Governors has been constituted and it comprises of Academician of reputed institutes, leading Industrialists from the state of Rajasthan, Technocrats, representative from the University, representative from the Rajasthan Govt. and representative from the AICTE, which will evaluate strength and weakness of the institute for corrective measures and will be empowered to suggest for the betterment of the institute.

Members of Board of Governance:

S.No.	Name	Chairperson/ Member	Category
1	Prof. D.G.M. Purohit Ex-Professor, Civil Engg.	Chairperson	
2	Prof. J.L. Kankariya Ex-Professor, Electrical Engg.	Member	Educationist, Industrialist, Professional
3	Prof. K.L. Sharma Ex-Professor, Electronics Engg.	Member	
4	Prof. Kamlesh Purohit Professor, Mechanical Engg.	Member	
5	Prof. S.K. Parihar Head, Dept. of Mining Engg	Member	Faculty of Institution
6	Prof. K. R. Chowdhary Ex-Professor, Computer Science Engg.	Member	University Nominee
7	Prof. S.K. Ojha Dean, Faculty of Engineering	Member	Dean
8	Prof. D. S. Hooda, PVC, Kurukshetra University	Former Member	AICTE Nominee
9	State Government Nominee	Member	As and when appointed by State Govt.

1.8.1 The Administrative Hierarchy

Chancellor

Vice Chancellor

Registrar

Financial Comptroller

Dean

Controller of Examinations

Assistant Registrar

Head of Department

1.9 Best practices for academic excellence

- The whole UG admission process is done through JEE Main.
- The detailed course handout which includes course description, scope, course objectives, lesson plan, text and reference books, evaluation scheme are provided to the students.
- Answer scripts of each internal exam are shown to the students.
- Class room attendance is compulsory.
- Code of conduct for the students during examination circulated among all students.
- Instructions to invigilators during examinations circulated to all faculty members.
- Usage of learning resources and MOOCS.
- Learning access- Access Engineering by McGraw-Hill, IEEE, Science Direct

1.10 Best practices for student welfare

- Scholarship assistance.
- Online Grievance Redressal Cell.
- Ambulance Service
- Hostel for students
- Carrier Guidance, training and Placement

1.11 Co-Curricular and Extra-Curricular Activities:

Various activities are conducted at various levels for all over development of students. Different clubs are there to organize the events:

- Drama Club
- Debating Club
- Zenith Club (Dance Club)
- MBM Automotive Club
- MBM theatre Club
- MBM programming Club
- MBM cricket Club
- MBM Football Club
- Badminton Club

Beside this annual techfest is organised.

1.12 Best practices for faculty welfare

TEQIP-III funds are made available for attending FDP/Short term courses/ Workshops/ Seminars/Conferences.

2. Profiles of the Departments

-
- Department of Mechanical Engineering
 - Department of Production and Industrial Engineering
 - Department of Computer Science and Engineering
 - Department of Electronics and Communication Engineering

2.1 Department of Mechanical Engineering

2.1.1 Brief Profile of the Department-Program offered (UG, PG, and PhD)

S. No.	Program Name	Name of the Department	Year of Start	Intake	Increase/Decrease In intake, if any	Year of Increase/Decrease	AICTE Approval
1	BE Mechanical	Mechanical	1952	60	03	2007	YES
2	ME Thermal	Mechanical	1967	12	NO		YES
3	ME Production & Industrial	Mechanical	1967	18	NO		YES

2.1.2 Vision of the department

To provide quality technocrat compatible with global standard in the field of mechanical engineering who can contribute to society through innovations, entrepreneurship & sustainable development.

2.1.3 Mission of the department

- M1. To impart highest quality in fundamentals, technical knowledge & scientific education to the learners to make them globally competitive mechanical engineers.
- M2. To promote liaison with world class industries & educational institutions for excellence in teaching, research & consultancy practices.
- M3. To make students, life-long learners, ethically and technically capable to build their careers in terms of professions and personality.

2.1.4 Head of the Department (2018-19)

Dr. Dinesh Shringi
Professor,MED.

2.1.5 Faculty Members & Staff (2018-19)

2.2 Department of Production and Industrial Engineering

2.2.1 Brief Profile of the Department- Program offered (UG, PG, PhD)

Department was established in year 1990 to impart quality education in the area of Production and Industrial Engineering. Recently, the department started an interdisciplinary post graduate program in Industrial Engineering and Management. This course has high demand in various industries. The department has well equipped CAD/CAM, Robotics, Industrial Engineering, Product design and Development Laboratories, Advanced Testing Lab. The department has specialization in Manufacturing and Industrial Engineering, Automation (CAD/CAM&CAPP), Supply Chain Management, Performance Measurement and. The department has many research projects from various funding agencies like DST, New Delhi, AICTE, New Delhi, UGC, New Delhi, Defence lab, Jodhpur targeting the development of emerging technologies in this area.

2.2.2 Vision of the department

“To be a centre of high quality education and research in the field of production and industrial engineering, for meeting the dynamic needs of enterprises”.

2.2.3 Mission of the department

1. To produce competent engineering professionals possessing advanced knowledge in the field of production and industrial engineering.
2. To develop techno-managers having excellent technical and managerial skills with high regard for ethical values, contributing to overall development.

2.2.4 Head of the Department :

Dr. Milind Kumar Sharma
(Professor)

2.2.5 Faculty Members and Staff

1. Dr. A. K. Verma (Professor)
2. Dr. Vikas Kapoor(Professor)
3. Dr. Manish Kumar(Professor)
4. Mrs. Rama Mehra(Associate Professor)
5. Mr. Naveen Kumar Suniya (Assistant Professor)
6. Dr. LakhPatidar(Assistant Professor TEQIP-III)
7. Mr. Mohd. Vaseem(Assistant Professor TEQIP-III)
8. Mr. Prashant Athanker (Assistant Professor TEQIP-III)
9. Mr. Amit Vishwakarm(Assistant Professor TEQIP-III)
10. Mr. Amey Kulkarni(Assistant Professor TEQIP-III)

2.2.6 Lab Facilities/ Infrastructure

1. Production Lab
2. Computer Lab
3. Industrial Engineering Lab
4. Advanced Testing Lab

2.2.7 Seminar / Symposia / workshop / FDP/ Conference organised:

1. Two days Workshop on “ Virtual Labs”
2. One day Workshop on “ 3D Printing and Reverse Engineering”

2.2.13 Linkage with Industry: Nil

2.2.14 Collaborative Activities:

Industrial Training of 45 days at mentor institute (CIT, Coimbatore) has been completed by 2nd year Student.

2.2.15 Curricular achievement & Co – Curricular Achievement:

M.Tech.:

1. Sazia Khan Sherwani , ME final year student has been awarded best paper for paper titled “People with disability corporate social responsibility(CSR), in conference on “Corporate Social Responsibility in current scenario :issues & challenges.”(March 23-24,2019)

B. Tech.:

1. DivyaThakurani: “ Digital Transformation of an industrial system considering customer satisfaction” from may 1st 2018 to June 30th 2018 at INSA Strasbourg. In CSIP I Cube team.

2.2.16 Placement data and Internship data: 3 as reported by TPO cell**2.2.17 Gate qualified students: data not available****2.2.18 Achievements / Awards / Prizes won by Faculty and Student: Nil****2.2.19 Candidate completed PhD./ doing PhD: Nil****2.2.20 Activities under TEQIP-III**

1. Students completed 45 days industrial training form mentor Institute (CIT, Coimbatore) under TEQIP –III

2. Seminar / Symposia / workshop / FDP/ Conference organised:

1. Two days Workshop on “ Virtual Labs”
2. One day Workshop on “ 3D Printing and Reverse Engineering”

3. FDP / PDT programs attended by faculties:

1. Naveen Kumar Suniya(Assistant Professor):

- i. Attended workshop on “ Innovative Pedagogical Orientation of Engineering Education” held on feb 23-24, 2018
- ii. Participated in the “MHRD –TEQIP-III KITE five day TEQIP –III Summer Training Program on Active Learning workshop”.
- iii. FDP attended on “ Design Develop and Deliver Online Courses: Hands on Approach – Phase 1” at CIT, Coiambatore organised by E&ICT academy and NIT Warangal (18-23 May 2019).
- iv. Workshop attended on “NBA Accreditation for UG Engineering Program” organised by SPIU, Rajasthan on 30th May 2019.
- v. “Workshop on moodle” at MBM Engineering College, Jodhpur.

2. Dr. LakhanPatidar (Assistant Professor TEQIP-III)

- i. Faculty induction program held on Feb 5-9, 2018 at IIT Gandhinagar.
- ii. Workshop on Virtual lab on 3-4 april, 2019 at MBM engineering college Jodhpur.
- iii. One day workshop on NBA Accreditation for UG enggprog. Organised by SPIU on 30 may, 2019 at MNIT Jaipur.
- iv. Summer training program on Advanced Pedagogies: Active learning and digital tools during June 10-14, 2019 at IIT Mumbai.

3. Mr. Mohd. Vaseem(Assistant Professor TEQIP-III)

- i. Summer training program on Advanced Pedagogies: Active learning and digital tools during June 10-14, 2019 at IIT Mumbai.
- ii. “Workshop on moodle” at MBM Engineering College, Jodhpur
- iii. Virtual Lab Workshop at MBM ENGINEERING COLLEGE, Jodhpur (April 3-4, 2019)

4. Mr. Prashant Athanker (Assistant Professor TEQIP-III)

- i. DAE-BRNS Workshop on Laser Additive Manufacturing & Allied Technology at RRCAT, Indore (October 8-12, 2018)
- ii. Virtual Lab Workshop at MBM ENGINEERING COLLEGE, Jodhpur (April 3-4, 2019)
- iii. Short term course on 'Computational and Statistical Techniques in Engineering and Agriculture at CATE Udaipur (Feb 25- March 1, 2019)
- iv. Summer Training Program on Advanced Pedagogies at IIT Bombay (June 10 -14, 2019)

5. Mr. Amit Vishwakarma(Assistant Professor TEQIP-III)

- i. Faculty induction program held on Feb 5-9, 2018 at IIT Gandhinagar.
- ii. Workshop on Virtual lab on 3-4 april, 2019 at MBM engineering college Jodhpur.
- iii. Summer training program on Advanced Pedagogies: Active learning and digital tools during June 10-14, 2019 at IIT Mumbai.

6. Mr. Amey Kulkarni(Assistant Professor TEQIP-III)

- i. Short term course on Mechatronics, MEMS & Microfabrication @ IIT Indore 27 to 29 march 2019
- ii. Advanced Pedagogy at IIT Bombay

2.3 Department of Computer Science and Engineering

2.3.1 Brief Profile of the Department-Program offered (UG, PG, PhD)

B.E.(C.S.E.), B.E.(I.T.), M.C.A., M.E.(CSE), PhD.

2.3.2 Vision of the department

“To be a leader in providing excellent educational, research and techno-entrepreneurial resources in the field of Computer Science and Engineering to meet out the existing, future and inter- disciplinary needs of industry and society.”

2.3.3 Mission of the department

- To impart innovative and entrepreneurial outlook, values, ethics and vision to students to make them responsible professionals and global citizens.
- To provide quality education through state-of-the-art teaching-learning methods to produce competent graduates and post graduates in the field of Computer Science, IT and Applications.
- To create facilities and resources to discover and disseminate knowledge to students for the advancement of society and industry.
- To partner and collaborate with industry, government and R&D institutions to pace with latest research & sustainable technologies and ensure quality assurance.

2.3.4 Program Educational Objectives (PEO's)

PEO1: Graduate will establish himself/herself as effective professional by solving real world problems using exploratory and analytical skills through the offered courses.

PEO2: Graduate will demonstrate his/her ability to implement various software development concepts and adapt to rapidly changing environment in advanced areas of Computer Science & Engineering.

PEO3: Graduate will embrace professional code of ethics, right conduct and responsible team leadership while deliberately being part of projects which contributes to the society at large without disturbing the ecological balance.
